MY SEXY SECRET!

"BALL JUNKIE"

26840

Ever since I had my first taste of cock in college, I've been obsessed with men's balls. Now in my late twenties, it is safe to assume that I've blown hundreds of men. Every time I'm with somebody new, I can't wait to get their pants off to see what kind of set I'm working with. Although one would assume that all balls are relatively the same, I am always astonished to find all the sexy variations. Each pair is as unique as their respective owners.

My favorite by far, are big, full balls that droop down a man's legs. This type turns me on the most and invariably makes me moist in the middle. I love to squat between their knees and have him wiggle his sack over my face. I tilt my head back, stick my tongue out and wag it over the soft skin as it rakes my mouth. The feeling is incredible!

Once their balls are dripping wet with my saliva, I begin to stuff each nugget into the sides of my cheeks until I look like a chipmunk. With my mouth full, I climb up their shaft with my hands and jerk them off hard and fast. The intensity of my oral play, coupled with the twisting motion of my hands, usually makes men burst rather quickly. As soon as his balls begin to tighten in my mouth, I know he is moments away from exploding. As soon as this occurs, I wrap my lips around the head of his cock and suck the cum from his hose, while gently pumping his balls. The effects are so hot that my obsession recycles soon after my encounter ends! **"Nad Nympho" Nebraska ♣**

INTERVIEW BY:
EMMA EDWARDS
IMAGES COURTESY OF:
WICKED PICTURES

Why did you decide to turn adult entertainment into a career choice?

I chose it for several reasons, one of which is that it's so much fun to be apart of. I also really enjoy being in front of the camera. There is no other job that allows you to be sexual and creative all at the same time. I'm an exhibitionist at heart, so this is a perfect fit.

Tell us details about your first scene.

Last summer a fan actually reminded me of my first scene because I had forgotten. It was for Bang Bros. and was shot in Florida. I was already flying out for a different event and a friend of mine encouraged me to perform. I agreed to it although I didn't have a clue about what to do. I showed up the next day with my test results in hand and shot. I was so clueless. Apparently, they liked my performance and it all began from there. Sadly, I don't remember who the boy was. All I remember is that I liked it and I wanted more.

You first began your career in the adult industry in 2004 before taking a break. What happened and why did you choose to come back?

I only lasted six months in the business at first because of some family pressures I was receiving. They wondered what I was doing and how I was able to make a living without working very often. Once the questions and glances started to happen in my small town, I decided to give it a rest. Nobody could figure it out, although I suspect some thought I was involved with drugs or some other forms of illegal activity. I was also

younger and didn't want to be pushed into a direction I wasn't comfortable with. I didn't want the industry to take advantage of me. I knew if I kept going, I wouldn't have wanted to pursue this as a career. The time away allowed me to mature a bit and truly understand the industry that I'm so proud to be apart of now. With this new understanding, I make the industry work to my advantage and not the other way around.

What are the perks of being a porn star?

There are a bunch! By far, the biggest perk about

being in this industry are the people you get to meet and the things you get to learn on the job. In this industry, you are able to see the process of movie making from start to finish. Since our industry is small, I'm able to witness all the hands involved in putting a production together. Most people assume it's simply a perv with a hand-held camera in a hotel room. They have no idea just how involved the production side really is and how technical this style of movie making truly is. Being privy to this information allows a person to advance in this industry and to extend their career possibilities.

Are you a feature dancer?

No way! Trust me, nobody wants to see me dance!

Who is your favorite female performer to work with? Why?

That is always such a hard question to answer. Most recently, I would have to say Avy Scott. She is so much fun to be around, sexy, and very easy to work with. We shot a scene together in a movie called *Inside Story* for Bluebird Films where she was dressed up as Marilyn Monroe while I played Elizabeth Taylor. For me, Avy Scott is an example of a woman who truly enjoys her sexuality and

is comfortable with herself. People like her help to make scenes great. Her enthusiasm adds to the experience and makes the encounters enjoyable and memorable.

Whose pussy are you dying to try out but haven't yet?

Tori Black! I met her the other day and fell in love with her. We talked all day and totally clicked. It felt as though we had been friends for years, although we had only met briefly one time before. To work with her would be a privilege. I feel we are kindred spirits, of some sort. If our chemistry was that strong with our clothes on, can you imagine the fireworks we'd create

with our clothes off?

Where you bisexual before joining adult?

No, I was not actually. In fact, I had never even watched porn. I didn't know what to do with a girl. I've figured it out on the job. The only porn I ever watched was *Keeping It Up For The Kardashians* by Hustler Video. Now I watch movies and am completely fixated on the sex.

Tell us a bit about your personality.

Everything I do is based on my mood. If I feel something or want to experience something, I run with it! Some nights

SHOOTING STARS
DYLAN RYDER

I don't want to be touched while other nights I wish I had sex swings hanging from my ceiling and overhead mirrors to watch the action. I'm a fun girl and am up for most anything.

What about cocks?

Who has the best one?

Why is it so good?

My answer is that I'm still waiting for the perfect cock. Don't get me wrong, there are a handful of guys who I absolutely adore in this industry, such as Tommy Gunn, Ramon Nomar, and

Kieran Lee. I truly love them as people and feel fortunate to know them in any respect. But as far as the perfect cock, I'm still waiting for it. A girl has to have something to look forward to, right? This is why I love new performers. I know it's out there!

Are you a size queen?

I don't know because I don't know exactly what that means. If you are super turned on and have amazing chemistry with another man then the sex is going to be great whether he has an average sized cock or a cobra-sized cock. I've been with some guys with small-

er cocks that fucked the hell out of me. On the flip side, I've been with men with huge cocks who had no idea what to do with it. Or, they didn't feel they had to try as hard because of their size. I will say that on set, things can be a bit uncomfortable with the bigger guys if there is no chemistry. It also hurts when the bigger guys try to jam fingers into your pussy, along with their cock. Hey guys, I'm a woman not a pin cushion!

What is your favorite sexual position?

Since I am a tall girl with strong legs, I prefer standing doggie position.

Generally, the guys who are able to do this position with me are guys that are stronger and more built. They have to be able to handle me pushing my weight against them. I enjoy holding myself up and could do it all day. In this position, I like feeling that I am in control, while I am being controlled.

What is your least favorite sexual position?

I hate cowgirl because I don't like staring at the person in front of me. I'm also a bigger girl, so I feel like I'm mashing the person below with my thighs. That position also has a habit of

26895

chaffing my thighs, which is really terribly uncomfortable. (laughing)

Describe the panties you are wearing right now.

I'm wearing a cute pair of boy shorts that have little red hearts and pink bows all over them. They are so cute and they match the pajama boxers I'm wearing at the moment.

Are you loud during sex?

I can be. The louder I am getting, the better it is probably feeling.

Are you into dirty talk? What can a person say to really turn you on?

I like dirty talk but I especially like it very descript. I love when my sexual partners create a story for me. I close my eyes and visualize the world they are creating. I especially love talk about how *my pussy*, *my body*, and *my curves* are turning them on. Sex is like a really good meal that you want to savor. I want my lover to savor me.

Can you describe some of your upcoming projects?

Yes, I just got cast for my first orgy scene. I'm so excited for it. It will be along with twelve to four-

teen other sexy people. I can't wait!

When you are fucking yourself, what do you think about?

I focus more on my breath. I try to incorporate deep yoga breathing which helps me to cum so quickly and intensely. I've shared this secret with many other girls and they have had the same result, which is namely more intense orgasms. I lay flat on my back, use my pocket vibrator, and let myself explode. Other times I imagine a faceless guy spreading me open and fucking me really dirty. That works too.

While masturbating, do any toys ever make it up your ass?

No, they don't nor will they ever. I can't bring myself to do it. I'm not an anal type of girl. The thought of anal makes me nervous and scared. My butt is off limits.

If you could fuck anybody in the world, who would it be? Why?

Without a doubt, Roger Maris, the best right fielder of all time! ♣

Debbie has always been the type of girl who has eyes bigger than her stomach. She can always be counted on to over order at restaurants and when the food comes, she's overwhelmed by the amount and can only pick at it. In the bedroom, however, it's quite a different story. When it comes to cock, according to Debbie, bigger is not only better it's the fucking best. She has yet to encounter a trouser snake she can't charm, her pussy lips parting wide to easily swallow down mammoth monsters balls-deep. Zach is one of her all-time favorite fuck buddies. Not only does he have a serious sausage to feed her slot, but he knows how to skillfully maneuver it as well. She loves feeling that she might be stuffed to the hilt by his massive member, and begs for him to pound her out from dozens of different directions. Zach is always more than happy to oblige. Debbie's petite bod is perfect to toss around during a frenzied fuck fest and her snatch is always tight and wet and feels like velvet on his throbbing stiffy. Debbie always has multiples when doing the deed with Zach—her O's just keep on cumming. Finally, when he can no longer plunder that honeyed hole without popping, Zach pulls out to coat her face with a super-sized portion of man gravy. ♣

JIZZ RATING

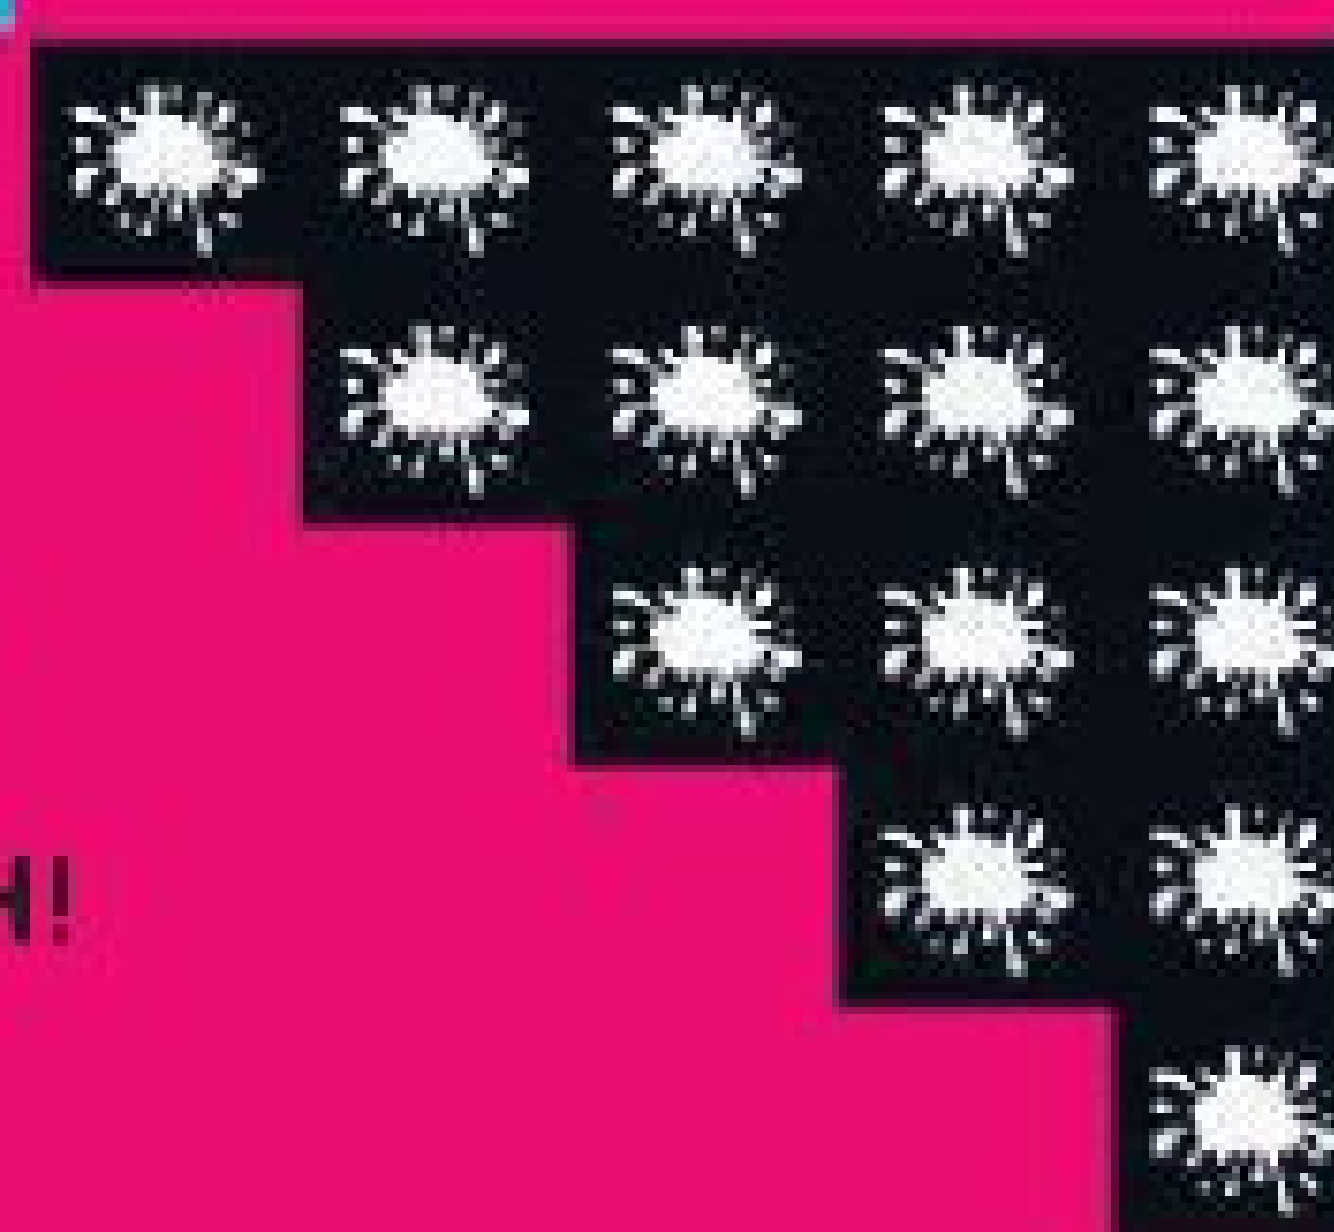

CUM BLAST!

A NICE SPLAT!

A DAMP PATCH!

A DRIBBLE!

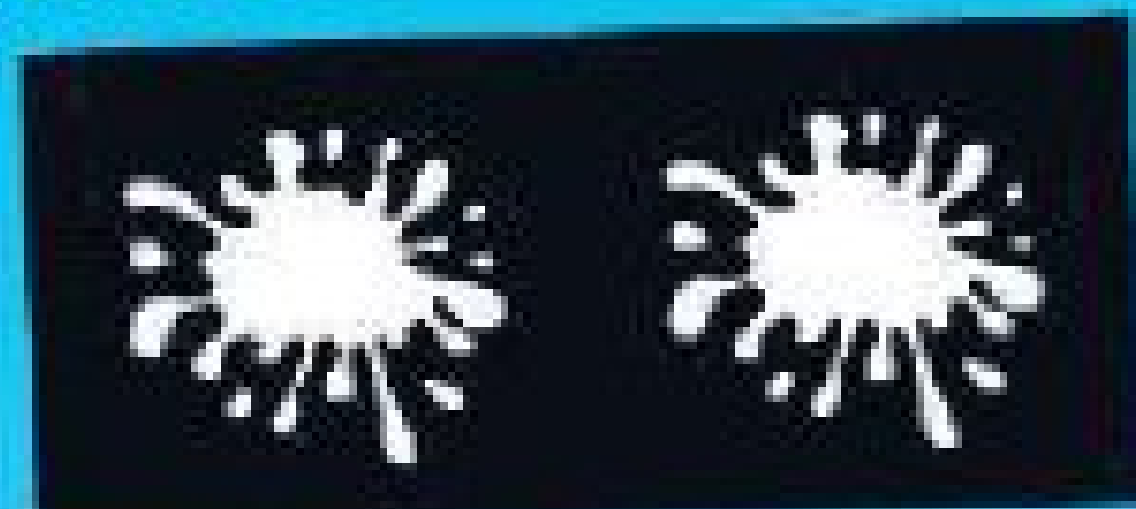

ANACONDAS AND LIL MAMAS 5

STARRING: Jaslin Diaz, Kayme Kai, Madison Luv, Leilani Lee, Angel Baby, John E. Depth

DIRECTED BY: John E. Depth

AVAILABLE FROM: Depth Entertainment Family

INTERRACIAL INJECTIONS / MEDIOCRE MAMAS

No frills, interracial fucking is what is on the menu for the fourth installment of director/performer John E. Depth's cleverly titled series. In addition to basic settings and mediocre girls, John E. Depth confirms that he's the leader of the pack with a monster-sized snake that he uses quite well. The outcome is acceptable and the sex is good, which may be enough of a boost to make up for the overall lack of looks in this production.

Jaslin Diaz, easily the best of the bunch, does an incredible job of wrangling up John's one-eyed monster. With a blowjob that can't be beat, Jaslin runs her teeth along his veiny shaft before plugging her puss with his venomous length. Working through her in a few positions, Jaslin really comes to life when riding on top of him in cowgirl. With a peachy ass and a nice swivel of her hips, Jaslin delivers.

Kayme Kai also looks good when hiding John's snake up her hole. Like the girl that came before, Kayme also does her best work while on top although this time

she's taking the reigns in reverse cowgirl. Also hot is the obvious tonal differences of their skin. His rich coloring, paired with her porcelain white complexion looks incredible when mixed together. With such opposite coloring, the hardcore penetration appears to be intensified.

Leilani Lee, another Asian chick, is up next. With a chubby body and unflattering makeup, Leilani does manage to take in some solid cock. Clearly not as animated as Kayme, John is forced to take over for this particular encounter. He does so by power drilling her at every turn, going especially wild when hammering her

hard in doggie. The cum filled finish is nice, although the overall experience is rather lackluster.

Angel Baby and Madison Luv also come out to play with decent results, although neither of these babes really delivers a standout performance that would make anybody stand up and cheer or even take notice.

SUMMARY: John E. Depth fucks a crop of five, C-List chicks. Although his cock is massive and works like a charm, the effects are not as lethal as one might expect or hope for due to the quality of meat he is entering. ♣

BLACK LISTED 2

STARRING: Tori Black, Bobbi Starr, Dana DeArmond, Andy San Dimas, Juelz Ventura, Lexington Steele, Mr. Marcus, Sean Michaels, Jon Jon
DIRECTED BY: Vince Vouyer
AVAILABLE FROM: Vince Vouyer Unleashed

SUPERSLUTS / INTERRACIAL NUTS

Tori Black leads an all-star cast of industry heavyweights when she takes a walk on the wild side. In what is her first interracial, anal sex scene with porn legend Lexington Steele, Tori proves why she remains on the top of our list. She, along with four incredible supersluts, battle it out when they mix their white holes with scads of black poles. The hardcore effects are so extraordinary and the

coverage so intense that director Vince Vouyer proves, yet again, that he knows how to do black on white just right!

Commanding attention from the start with sexy spike boots, it becomes apparent that Tori craves Lexington. She lunges at him, like metal to magnet, connecting to his cock with her perfect lips. Practically having to come unhinged at the jaw to take him all in, Tori does a fine job slobbering up his knob until her mouth drips. After some incredible vaginal action and some butt licking, Lexington bends Tori over and shoves his yardstick up her asshole. She takes it well, playing in the creamy facial to top things off.

Never a stranger to black cock, Bobbi Starr later takes command of her situation when she battles it out with Mr. Marcus and Jon Jon. After incredible oral given to both, she allows the men to test out her holes when they take her for

an interracial ride of her life... DP style!

Also onboard the DP soul train is Dana DeArmond. With an elastic asshole and an insatiable appetite for anal sex, Mr. Marcus and Sean Michaels barely stand a chance. She works both men over with hardcore finesse. Her expert holes suck in both cocks with ease, for what turns out to be the hottest DP display featured.

Juelz Ventura also rises in the ranks of supersluts when she takes on Mr. Marcus, but not as good as Andy San Dimas. For her scene, she proves her addiction for black cock runs hard and extra deep!

SUMMARY: Reaching the pinnacle of interracial sex, director Vince Vouyer and cast hit a homerun. With intensive fucking in every scene and gorgeous girls that are up for the challenge, interracial sex couldn't get much hotter than this! ♣

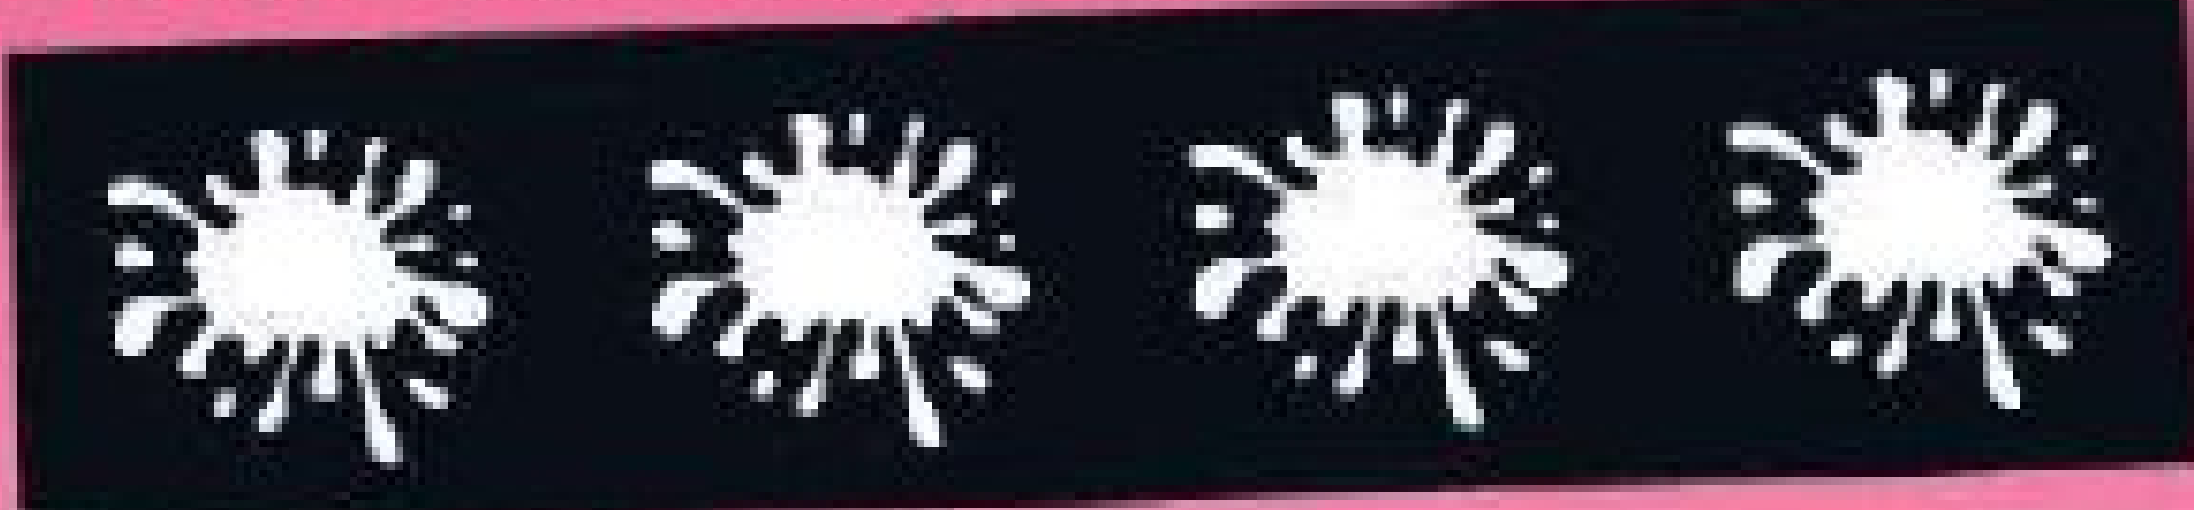

JAILBAIT 7

STARRING: Amia Miley, Toni Ribas, Melissa Mathews, Ashlyn Rae, Allyssa Hall, Victoria White, Mallory Rae, Mekeilah Love, Danni Cole, Erik Everhard

DIRECTED BY: Erik Everhard

AVAILABLE FROM: Erik Everhard Entertainment

TEEN TWATS / EVERHARD ENERGY

For some, there is nothing quite as exciting as sampling the sweet birds of youth in their prime. Performer/director Erik Everhard seems to agree as he assembles eight barely legal babes and breaks them in, initiating their freshly sprung holes with porn star perfection. As can be expected with the Everhard brand, this edition really delivers what fans of the younger genre crave by way of delivering mouthwatering bouts of hot teen sex.

Amia Miley stands out from the pack, with her infectious grin and eager atti-

tude to fuck. Despite the appearance of her rail thin frame, Erik doesn't treat her with kid gloves. Instead, he attacks her with full bravado and practically splits her crisp cunt in two, popping her hard in missionary position.

Ashlyn Rae is another young buck that doesn't shy away from Erik's penile punishment. Like her predecessor, Ashlyn really gives Erik her all. At times she appears a bit dumbfounded, as she's probably never been fucked so hard before in her life.

The stacking up of Victoria White and Mallory Rae proves to be an incredibly delicious decision, as both blonde bitches are eager to outdo the other. While both get plenty of cock time with Erik and Tony Ribas, the best is achieved when they are sprawled out side by side in standing doggie position. Hot!

The pairing of Melissa Mathews and Allyssa Hall also raises the bar, as both

girls demonstrate superior cock riding skills that are more reminiscent of seasoned porn sluts than just legal innocent playthings.

When sexy scout Danni Cole tries to sell Erik her baked goods, he takes to sampling her cookie first before placing his order. The result is fucking so intensive that this young girl may never walk the same ever again!

The introduction of Mekeilah Love is also quite good. Here she takes Erik across a bed, demonstrating shaky legs when the fucking reaches the boiling point!

SUMMARY: Erik Everhard gathers a fresh crop of teens, fucking them hard and well. The results are so electric and perfectly demonstrate why Erik Everhard Entertainment continues to be a cut above the rest. Fans of this genre won't be disappointed, as our thirst has been quenched! ♣

OCTOPUSSY 3-D: A XXX PARODY

STARRING: Audrey Bitoni, Dylan Riley, Aletta Ocean, Phoenix Marie, Priya Rai, Danny Mountain

DIRECTED BY: J. Lalls

AVAILABLE FROM: New Sensations / Funky Monkey

3-D DICKING / SEXUAL SPOOF

We'll just get this out of the way from the beginning, the storyline here is completely lacking and the acting is laughable. But hey, it's porno and nobody is expecting Academy Award winning performances, right? What is really cool about this movie though is that it is being offering in 2-D for regular viewing, and in a 3-D format for added appeal. With 3-D glasses provided, expect things to come flying at your face, although not as much as one might hope for.

The featured girls are also incredibly

hot, with Danny Mountain playing the coveted role of Bone, James Bone! With what appears to be the next wave in erotic entertainment, this 3-D format still has some kinks to work out, although this production is well on its way.

The story begins when a fellow agent falls dead, clutching a Faberge egg. James now seeks vengeance on his friend's killer. But before rushing to any conclusions, James watches Priya Rai take a bath before porking her wildly across his bed. With a sexually psychotic Dr. Jekyll and Mr. Hyde sort of appeal, Priya goes nuts and seemingly contorts into some sexual beast. She also pees on him a few times, although she tries to disguise it as genuine squirt. Wrong hole babe, we know the difference but good effect nonetheless!

Wanting to get fitted in a new tux for the big poker game, James Bone visits Aletta Ocean, a seamstress. Taking thor-

ough measurements, Aletta whips out his cock to cover all the bases. Once happy with the length, she shoves it in her mouth and up both holes. With excellent vaginal play, Aletta confirms that her hottest asset is her anus!

After the poker game, Phoenix Marie also gives up great ass in what becomes the absolute hottest scene of the movie.

In the end, Audrey Bitoni and Dylan Riley team up to take down James Bone, although he's clearly the one that comes out on top!

SUMMARY: Close but no cigar! Although Danny Mountain makes a fine James Bone, the overall vehicle he is working with is quite lacking simply because the storyline is as thin as a lace bra. The sex however is quite good. The added appeal of the 3-D experience makes the lackluster plot points worth watching. ♣

PORN STAR BRIDES 4

STARRING: Shayla Laveaux, Tanya James, Claire Dames, Renae Cruz, Ryan Madison

DIRECTED BY: Ryan Madison

AVAILABLE FROM: Kelly Madison Productions

SEXY BRIDES / COUPLES SEX

The hardcore irony of this production is quite infectious as these mega whores prove to be anything but virginal. Dressed up in white wedding gowns, four sexy babes tie the knot and their legs around Ryan Madison. Dipping his cock in each hole, Ryan comes out on top as the ultimate polygamist when he proves that four wedding nights are always better than one. The results are good fucking

and adequate lighting that will get the job done.

By far and away, the best bride featured is porn legend Shayla Laveaux. With a body that is just as gorgeous today as when she first entered the adult industry back in '92, Shayla proves to be a powerhouse. She definitely gives Ryan a run for his money. Doing her best work on her back, Shayla really hits a high note with a noticeably wet pussy in missionary position. The creamy facial finish is simply icing on the cake.

Renae Cruz also does a bang up job when she walks down the aisle to meet Ryan. Although she shines in each position he flips her into, Renae's blowjob skills stand head and shoulders above the other brides. With puffy Latina lips and what looks like a killer mouth grip, Renae sucks the hell out of Ryan before swallowing his load whole!

Giving the wedding photographer

a peek underneath her gown, Claire Dames is clearly the naughtiest bride of the bunch. With melon shaped tits and a deep pussy to match, Claire has a blast slipping Ryan's cock between her mounds and up her hole for what becomes an incredibly hot scene.

Tanya James also comes out in full force, looking quite beautiful in her dress. Instead of the conventional walk down the aisle, Tanja is instead dipped into a water bath filled with rose petals, wedding dress and all! She comes up a soggy wet mess, although she still manages to give up her pussy like a pro.

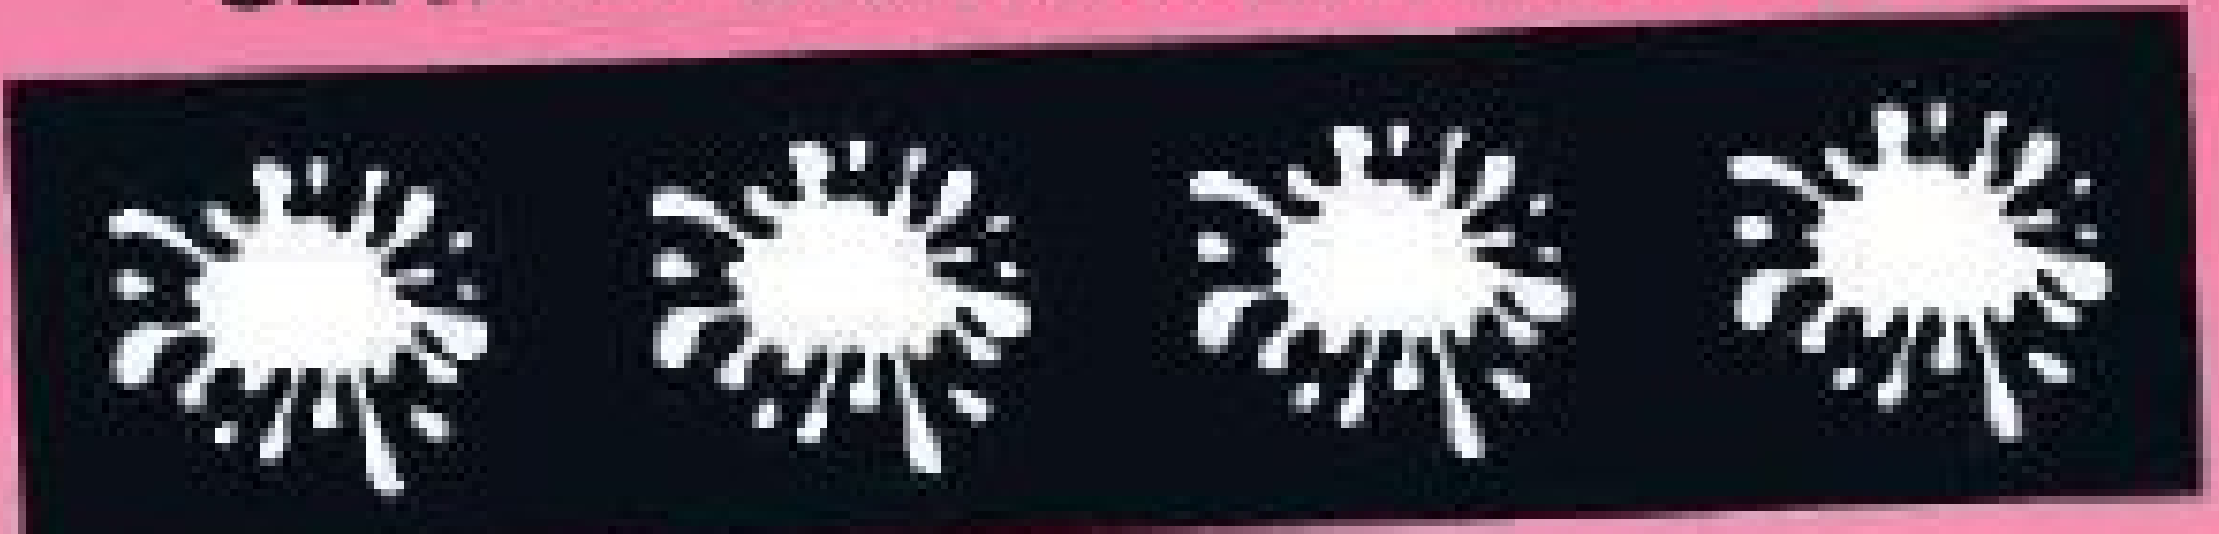

SUMMARY: Four hot babes walk down the aisle to connect crotches with Ryan Madison. Although the sex is hot, there is nothing stellar or stand out about the production. What you will get is good sex and sexy girls that will help you shed your seed. ♣

SPLASHES ON GLASSES 2

STARRING: Aletta Ocean, Andy San Dimas, Hillary Scott, London Keys, Monique Alexander, Mick Blue, David Perry, Marco Banderas
DIRECTED BY: Mick Blue
AVAILABLE FROM: Third Degree Films

SEXY SPECS / COUPLES SEX

Capitalizing on the kinky fetish of girls in glasses, director Mick Blue really delivers what eye enthusiasts hope to experience by pairing sexy specs with five outstanding leading ladies. It also helps that the ladies keep their glasses on throughout, especially during the pop, while other similar type of productions choose to take the glasses off midway through the show. Mick's way is far bet-

ter, as he really milks the fetish for all it's worth, ultimately delivering a picture perfect offering.

Monique Alexander, the only blonde in the bunch, really does a fantastic job when paired with David Perry. Never one to let the girls get away with maling in their performances, David really makes Monique earn his cock by putting her floppy pussy through the ringer. This is best shown when he slams her from underneath in cowgirl position.

Asian cutie London Keys also does an incredibly hot job of riding Mick Blue's cock. With a pouting face and curvy body, she really takes control, working her wanton over until she pops hard in reverse cowgirl. Sticky!

The coupling of Aletta Ocean and David Perry is also quite hot. Although I've seen her perform at higher levels, she still manages to deliver a solid performance despite the fact that she backs

off just slightly in a few positions. The pop slop to her glasses in the end makes us forgive any of her slight miss steps.

Covergirl Andy San Dimas not only stands out on the cover but really does a fine job of solidifying her rise to the top of the porno ranks when she mixes middles with Mick Blue. The results, especially when she's being pummeled in spoon, are fantastic with expert fucking demonstrated by both participants.

Although hot, Hillary Scott proves to be the belle of the ball when she takes two cocks at once in what ultimately becomes a fuck hole frenzy of galactic proportions!

SUMMARY: Girls with glasses get rocked and rolled by expert studs. Each makes sure their respected sluts see their cocks with crystal clear precision, despite the fact that cum is left dripping from their lenses. Hot! ♣

May & Sophie

Release: StoreMags & FantaMag

It's been said that not much in life is better than a freaky pair of ambitious blondes patting their bunnies pool-side, and sexy, sun kissed pals May and Sophie are no exception to this rule. Most afternoons will find them splayed out on some beach towels and indulging in a feisty frolic, complete with tongues, toys and a few well-placed fingers. They love starting out their Sapphic shenanigans by doing laps lezzie style around the pool, an activity that is guaranteed to leave both babes out of breath. After thoroughly spit-drenching each other's little man in the boat, it's time to bust out the fun, big time. In May and Sophie's world "fun" is an assortment of brightly colored phalluses that they cheerfully cram into each other's nether nooks. Sophie loves sinking a candy-colored stiffy deep into May's moist vertical smile so much that it gets her own gynie gooey to do so. Which works out well, 'cause whenever May makes her way back from the land of O she sticks her fingers in the dyke, but instead of stopping the leak her wriggling digits ushers in a gusher that leaves Sophie's snatch ultra-soaked with she-goo. It's about now that the two sweaty and sticky lovers may opt to go for a dip in the pool, although these sizzling sluts can rinse off all they like but they will never quite cool their pussies down. ♣

VAGAZZLED

SHIMMERING SLITS SLAMMED!

27677

Starring: Kagney Linn Karter, Asa Akira, Charley Chase, Amy Brooke, Juelz Ventura, David Perry, Mr. Pete, John Strong, Mark Wood, Erik Everhard, Ron Jeremy
Directed By: Miles Long
Available From: Third Degree Films

The arena of late night television arose in a sea of shock, disbelief, and then applause the mومن a Hollywood star with huge tits announced that the way she mends a broken heart is by jewel encrusting her va-jay-jay with tiny crystals in a sexy bit she coined, Vagazzle. Since this admission of her erotic pastime, salons have adopted this trend, offering up this unique service to their list of clients that are now lining up in droves to have their pussies shimmer.

Department stores and beauty supply centers are also running low on their diamond stick-on products, as the trend is sweeping the nation, turning ordinary beavers into groovy disco balls.

Always quick to borrow material from one another, director Miles Long has adopted this mainstream phenomenon, building an entire movie around the concept for his latest cockbuster for Third Degree Films, perfected named *Vagazzled*. Being led by contract cutie Kagney Linn Karter, with a special appearance by Ron Jeremy, Miles has handpicked five gorgeous girls, sending them into the spotlight with one key accessory... a sparkling slit. With so much electricity in the air, are you ready to watch glamorous pussies sparkle and shine? Of course you are!

Completely enamored by the concept, Kagney arrives early to the set. Sitting with her legs spread open, Julia Ann squats between her thighs, decorating her freshly shaven slit with colorful crystals until an ornate butterfly emerges. "This is the coolest thing I've ever seen," she coos, as she prances around the set flashing everybody that crosses her path.

"Bring that blinged out pussy over here," Miles directs as Kagney takes her position on a couch in a setting that is made to look like a late night television show. She sits next to Ron Jeremy, the host, and is ready to answer a few of his sexy questions. After some playful banter back and forth, and a bit of guest molestation, Ron introduces David Perry, a French

actor, onto the show. "So, if you and David were to do a love scene together, how would you begin?" Ron asks Kagney. Without the need for words, Kagney lunges toward David and brushes his teeth with her tongue. "I'd fucking love him so good, that he'd never forget my name," she purrs, stuffing her big tits in his mouth the minute he tries to answer the question for himself.

Soon David has Kagney's right leg hooked over the back of the sofa and the other cemented to the floor as he splices through her pussy in mish. With a couch scooting across the tile, Kagney's chest turns beet red and her eyes pop as a puddle of goo rims her glittery gash.

The moment David pulls out, the remainder of her gushing orgasm comes splashing out until both of their legs are saturated with she-spunk. "I squirted! I actually squirted!" Kagney screams and claps, as the crew laughs and Miles calls a momentary halt to the scene.

Apparently, this is one of the first times Kagney's ever felt this awesome sensation!

With even more passion than before, David continues their aggressive fuck session by folding Kagney in half like a lawn chair to command her pussy in doggie. After several great pumps, Kagney's ass begins to redden as the sheer force of David's pelvic bone smacking into her ass meat becomes more solid. "Ahhh, I just can't get enough of you," Kagney screams.

After a few more positions, Kagney sets herself up on her knees, ready to quench her thirst. She milks the cream straight from his hose with her small hands until her gorgeous tits are decorated with his warm vanilla frosting. Delicious!

Watching the action from the make-up room, Asa Akira is more than anxious to come out and strut her stuff. Just like Kagney, she too is anxious to show off the crystal blue swirl that is now gracing

her perfect Asian snatch. She begins her scene on top of a stairway, talking to the camera about how she's done something really special to help spice things up for her boyfriend. Once she's finished with the set up, she slowly glides down the stairs and spreads herself open on the sofa for Mr. Pete.

"Fuck, this looks beautiful," he smiles, running his fingers over the gleaming gemstones. "Do you like my surprise," she continues, by placing his two fingers into her saucy wanton. Being a master with his fingers, Mr. Pete has Asa's pussy dripping wet in no time by sloshing his fingers back and forth. Once soggy, she places his slippery fingers into her mouth for a little suck, while he power polished her pussy with his tongue. "You taste just as good as you look!" he mumbles, going in for a second helping and later a third.

Returning the favor, Asa kneels down before him and stuffs his pecker in her mouth. Sucking on the head until her

cheeks cave in, Asa does one hell of a job, as evidenced by Mr. Pete's curled toes and tight balls. "Oh yeah, I forgot to mention, I'm a great cocksucker too!" she teases. Eventually, she switches things out once again by tucking herself underneath his legs to give his nads the same loving treatment.

Once both crotches are dripping wet, Asa takes a seat on Mr. Pete's lap in reverse cowgirl position. Helping her along by moving her hips, Asa rides him up and down, swiveling her hips around until Mr. Pete starts to squeal. "You know you love the way my pussy feels," she chugs, locking her hands into her black hair as she barrels down even harder. "Yeah baby, I like it," he chugs back.

After another half an hour of intensive fucking and more great positions, the scene comes to an end as Mr. Pete showers the Asian angel with a healthy cum blast that covers her from naval to

nose. It's a great scene!

Always counted on to be a passionate performer, Charley Chase flies onto the set even before Miles is ready for her. "Whose cock am I going to work with today," she says in a frenzied state. As John Strong rounds the corner, he raises his hand and jokes, "Um, I guess that cock is me."

Without laughing or blinking, Charley rushes over to John, pulls his cock from his pants and begins sucking like a fucking nymphomaniac. Momentarily stunning the press, crew, and her fellow cast mates, John has no choice but to take her oral onslaught in stride. Completely giving in to her, John sinks his hands into her hair and lets her go to town. "Don't forget my nuts," he pants, watching her mouth fill up with his meaty parts.

"Fuck! I love giving head so much, I could do it all day and still not have enough!" she reveals, as she comes

up for air with dangles of saliva looping from her lips. By now, the crew has had to practically trip over themselves to capture the scene that has already started.

Once he's enjoyed several minutes of oral fun, he switches his attention over to her. Ripping her panties off with his teeth, John takes his time to smell her bushy beaver, getting his nose coated with her musk, before sticking out his tongue to find her gooey center. "Oh baby, that's the spot!" she purrs, gliding her twinkling twat over his mouth until his face shines just as brightly as her pussy jewels.

He later makes her cry with ecstasy in spoon, as he tears through her hole. He has her coming so many times that she visibly loses all control and focus. The only thing that brings her back to reality is the cum shower that he sprinkles across her pussy and asshole as their scene comes to an end!

"Amy is one of those rare girls in this industry that is just a machine. She was built for this business. I have yet to see someone that can wear her out, on camera or off," Miles reveals, moments before it's Amy Brooke's turn to sparkle and shine. With such a budding introduction, Amy doesn't disappoint, but instead exceeds everyone's expectations.

She begins her scene with Mark Wood, a guy she loves working with because of their amazing chemistry. Describing herself as having "a daddy fetish," Amy feels right at home lying across Mark's lap like a bad girl. With her legs stretched out she begs, "Please fill me up with your fingers." As if any red-blooded male could resist such a request, Mark licks the tips of his digits and inserts them up her hole. Thankfully, the twinkle decorating her twat is fashioned in the form of an arrow to help him find his way.

He fingers her hard and fast before switching out his digits for a thorough tongue polish. Wiggling over his mouth, Amy shows Mark how she likes it done. "You're sucking me so good," she moans.

He later plops his cock inside her cunt in doggie position before rolling her onto her side in spoon. "How about continuing in my asshole?" she questions. Looking a bit stunned, Mark pulls out and sticks his pole up her butt before she changes her mind. Despite the fact that her asshole is one of the smallest spaces ever seen, apparently it has no problem opening up to accept plenty of meat. With minimal effort, Mark slips right in and starts fucking her so intently that her shy demeanor quickly gives way to the carnal cock-fucker that lives inside. "I love getting my ass fucked!" she screams.

As she explodes with her final anal

blast of the day, Mark unleashes his fury over her holes as a way of extinguishing her thunder down under. "Now that's how it's done!" Miles applauds, as he closes out the events of the day on a high note.

With another scene yet to be shot, starring Juelz Ventura and Erik Everhard, it's safe to say that Third Degree Films and Jennifer Love "Huge Tits" might be on to something spectacular with their sparkling slit scenario. So the next time your girl wants to spice things up in the bedroom, how about sending her to the salon to be *Vagazzled* like the pros? When she comes home, pop this dirty little number in the machine, turn down the lights, and let the disco show begin! ♣

SOAPY SLITS

For the last week it's rained non-stop in Los Angeles, causing the sleek curves of my silver Ferrari to look more like a dust bucket than the superb piece of imported perfection it is. To help fix this problem, I went in search of a local carwash. While driving around, I spotted two hot girls in skimpy bikinis holding up free carwash signs. They were fucking gorgeous! Both had tan bodies and high heel shoes that helped showcase their perfectly sculpted legs. Being a horny stud, I had to pull in and get a better look at the girls and their hard nipples that were busting through the thin fabric of their bikini tops.

Sure enough, when I drove down the long winding driveway and parked, both girls stood at my driver's side window and were even sexier than I had originally suspected. At that moment, all I could see were tight stomachs and their gold naval rings. Both girls lowered down slowly, giving me glances of their pointy nipples, and their happy faces. "You need a regular wash?" the cute Asian said while

squeezing the soapy contents of a wet sponge over her fake tits. "Or do you want the deluxe wash?" the other girl continued, securing the gushing hose between her cleavage and licking the trickles of water that came spewing from the top. I couldn't believe my fucking luck!

"Fuck, I'm up for anything!" I replied, getting out of my car and pulling both girls in by their perky asses. Once the three of us were smashed together, the two girls started to tongue kiss in front of my face. Their mouths were so close to mine that I could smell the sweet scent of their bubblegum lip gloss, as their tongues wildly flicked back and forth. That tease was so erotic that it left my cock rock hard and ready to party. Finally after watching the girls kiss, they pulled my mouth in and began to massage my lips with theirs.

"We'll wash you down from head to toe," they whispered in unison. While the Asian began to nibble around my ears, the blonde went for my neck. I stood their in total bliss, continuing to mold and

YASMINE, JOE & MARTIN

Yasmine's always been one hell of a bim and never afraid of a challenge. When her two beefy buddies from the gym Joe and Martin approached her one day and suggested they all head back to her place and have a special workout session Yasmine jumped at the opportunity. Even though she knew sustaining a double pounding from both stud muffins was sure to be exhausting, Yasmine wanted to test herself. After all, she was no newbie when it came to being worked over, having long ago dedicated herself to staying in tip top sexual shape by making a point of getting stretched out regularly. But as anyone interested in exxxercise will know, there cums a point where one has to step things up and take it to the next level. For Yasmine that point is now. She's ready to forge ahead and find out what kinds of new and filthy deeds her beautiful bod is capable of. Quite a lot, as it turns out, quite a lot. No sooner than jocky Joe and meaty Martin entered her bedroom and stripped her bare did Yasmine find herself cuntorted into positions she never before had imagined. After being satisfactorily spit roasted (she came all over both dude's dongs, one right after the other) the boys basted her but good in man muscle milk. Countless calories were burned by all!

sculpt their young asses into my hands. I took in deep handfuls of their curvy buns, causing my fingertips to graze the soft skin of their pussy lips. Noticing the big boner in my jeans, both girls lowered to their knees and yanked my cock out. The Asian wrapped her lips around my shaft and started to slobber, while the blonde cupped her mouth over my balls and began to hum. "This dirty boy needs to be polished," the Asian purred, switching places with the blonde to get a mouthful of my meat.

Wanting to give the girls better leverage of my bone, I threw down a couple of beach towels and urged the girls to squat beside me in doggie position. Once both pieces of ass were spread out in front of me, I gave each butt a few playful smacks before pulling their panties to the side to get a whiff of their holes. After several minutes of inspecting each girl, I stuck my tongue out and began to lick each set of holes.

So there I was, tongue stuck up one pussy and finger stuck up the other. The girls loved my skills and swayed their bodies side to side, causing their butts to blossom out even further. After I had my fill of salty cooze cream and ass broth, I grabbed my cock in my hand and started to jerk myself off using their butt cracks. "It'll feel much better inside," the Asian purred, pulling her rump open. Since these bitches were ready to play hard ball, I injected my cock into the Asian's spicy asshole, urging the blonde to rise to her feet and collect our sex drippings with her tongue. Like a true cock whore, she did exactly what I asked. Feeling the tight butt muscles around my stick and the sensation of the blonde's wet mouth had me practically exploding.

After such specialized service, I hoisted the blonde up onto the Asian's back and started to attack her pussy in missionary position. It was great! I had the Asian's asshole and the blonde's pussy ready for the taking. And I took both! I popped my cock in and out of each hole, eventually giving the sweet blonde a decadent vaginal cream pie that she loved! I didn't get my car cleaned that day, but what the fuck? There's always tomorrow!

VERY IMPORTANT PUSSY

Dancing is my passion. Every weekend I'm at the hottest discos in Chicago, getting my groove on with the sexiest men and women the 'windy city' has to offer. Since I'm a gorgeous blonde with great tits and a tight pussy, I receive the V.I.P. treatment everywhere I go. Needless to say, it's fun being me.

Anyhow, last Friday night while grooving to the music and giving people down below a free peek at my crotchless panties, I began to see of all the fresh meat walking into the club. Immediately my eyes became fixated on this black stallion that was adorned with rippling muscles and a smile that started a fire in my crotch. He walked in, demonstrating an instant bravado that made people take notice of him. His air of confidence

and sexy sophistication instantly had me wet and hungry for his chocolate bar.

I summonsed the bouncer in the V.I.P. section to go and bring that gorgeous hunk of meat to me. After a few minutes, I noticed the stud walking up the steps in my direction. Once face to face, I swung my arms around his neck. With sexual chemistry oozing from every pore, we started to grind our bodies

into one another to the rhythm of the rap music. He grabbed my hips and sunk his fingertips into my tiny waist. Soon his big hands were feeling up my girlish curves as my body continued to move into his.

"You're driving me wild!" he whispered in my ear, pulling me in even closer to kiss my neck. Once pressed together, he pushed his rock hard cock into my thigh. His meat felt massive

which immediately had my pussy in overdrive. I closed my eyes and tried to imagine what a cock that size would feel like stretching out my pussy lips. Finally, I couldn't contain myself. I started kissing and nibbling down his neck until goose bumps covered his caramel complexion. Without a doubt, I knew his dick was growing even larger in his pants.

"Give me your mouth baby!" he mouthed, cupping my face in his hands

and running his finger over my lips. I opened wide, massaging his tongue with mine until our lips met. At this point we were making out like crazy, with our hands rubbing up and down each other's bodies. My black stallion finally backed me up against a wall. Once locked into position, he began to glide his fingers up my inner thighs. "Open your legs wider," he purred, sucking on my earlobe until my long

legs feel open. Soon his fingers were tugging on my panties, running the fabric up the crease of my cunt.

From here, he cupped his hands over my underwear and forcefully tugging them to the side. "Stop fucking around!" I cried, anxious to be finger fucked by my new friend. I quickly got my wish. He ran his fingers inside my hot hole, banging me hard and fast until I was a puddle of juicy spunk. While he continued to ride me out, I unzipped his pants and started twisting my hands around his shaft. Just as I had suspected, the man was fucking huge! It took quite some effort to wrap my palms around his pole, although I managed to do so quite nicely. Even though I had him in my hands, I knew I needed and wanted more.

"I want all of you," I sighed, eager to play a friend-lier game. Since we had parked ourselves in a rather remote corner of the club, we became invisible to the rest of the partygoers. I started to slowly slide myself down the wall until my mouth met up with his cock. I licked the tip then shoved him deep between my lips. With my head pressed up against the wall and nowhere to go, the hot stud began to fuck my mouth with furry. I opened wide and took it. Soon, he was holding my face and smacking the sides of my cheeks. It was so damn hot!

All the while my pussy was practically screaming down below for a little action. "Fuck my pussy," I cried eventually pulling myself off the ground and spinning around into standing doggie. He held my left leg up and slammed his cock inside my hole. I instantly began to tense up due to his monster girth. While he stood there banging me, the thought of being fucked in public had me hotter than I've ever been. After some steady effort, my stud had me clawing up the walls with an amazing orgasm that seemed to last through an entire song. He quickly followed suit, unloading his wad into a champagne glass. Without a doubt, it was a great way to quench my thirst!

CLEMENTINE & TIMO

When Timo first met darling Clementine she was super inexperienced in the sack and rather shy. In fact, it took him taking her out on several dates before she'd even kiss him, and several more after that for him to be allowed to cop a feel of her sweater puffs. But fast forward to present day and wow, we've cum a long way baby! Cutie pie Clementine has gone from prude to puta under the watchful eye of Timo's wonder worm. What she lacks in technical know how she more than makes up for in sheer exuberance and her enthusiasm for a real dirty fuck keeps lucky Timo hard for hours. Having just recently opened herself up to the naughty pleasure of being poked in the rear, Clementine has taken to having Timo's tool up her tush like a champ. It's a tight fit to be sure—Clem's starfishy is on the smallish side and Timo's ramrod is definitely a big 'un—but dammed if she doesn't make it work. Her method is to take as much of his boner as her bum can hold while basking in the hole-stretching hotness of it. When he's humped her 'till he can hump no more Timo withdraws his wood in order to leave his mansap in her mouth, which Clementine gobbles down with a grin. ♣

ANGEL

This tight Latina teen can't wait to shove something up her snatch! Every since she had her cherry popped on her 18th b-day, she's been jonesing for the dick on a daily basis. Now, don't think she ain't getting any, 'cause she sure as hell is! With a body like that, how many times can you keep the cocks away?

SHOW US YOURS!

Unlike some other mags we could mention, our readers' pics are all genuine amateurs – horny women just like you or your girl! Ladies, send us your pics – next month you could be the star of America's #1 raw sex mag!

WE'LL PAY YOU \$50 FOR EVERY PIC WE USE

and if you write us a letter about your latest sexploits, we'll use that too! Send us your pictures, and we'll send you a release form to sign. You could be our next amateur sex star!

A PIC!

ERIN What can we say about Erin? She's cute, she's moderately shy, but when she takes those clothes off, things get crazy! It took a while for her boyfriend to shoot these pix, but when he did, he found it even harder to get her clothes back on. By the way, he had to stuff each and every one of her holes before she redressed in her favorite pink sundress. That, of course, was followed by a blowjob.

LANA Ever since she turned 20, Lana has been into extra dirty things. "I love to take it up the ass!" she confessed to our interviewer. "There's something so excitnig about taking it like that. I mean, I love getting my pussy fucked, but having it in my butthole just feels a little tighter, and a little slicker, ya know?" Yeah, we know!

ALYSSA Alyssa has a deep love for diddling, also known as fingerbanging her cunt into a climactic finish. She just goes crazy touching her cooter down on the farm. "Masturbation is good for both the body and the soul," Alyssa said. "I believe everyone should do it at least once a day. It's even better doing it while someone watches or having someone do it for me, even. Especially another girl! They really know what gets me off and just how to touch me!"

27306

DOLLY Dolly is a dirty girl. In fact, if that was the only thing we wrote as a description for dear Dolly, it would be apt. It would come off as if we were going insane in an abandoned ski lodge, but it would be accurate nonetheless. Either way, any girl who crams her cunny with a double-donger gets our vote as the dirtiest babe in the game! And, to answer any questions, yes, she'll suck her pussy juice clean off of that thing!

JERRI

Standing at 5'1" and just reaching 97 lbs., Jerri is the skinniest babe we've had grace our pages in some time. The best part of these lithe ladies? Being able to bounce them around like one of those inflatable sex dolls. Not that we've ever.... not that there's anything wrong with that! Anyway, Jerri's a good lay!

MY SEX LIFE!

"ANAL VIRGIN'S WISH"

25664

I never thought I would let a man put his cock in my ass, but it happened last night. It was an exciting and sticky experience. I spend a lot of time on the computer, probably too much between work and "leisure" (looking at porn), and I kept going back again to the best sites where girls were getting fucked in the butt. I would blow up the pictures and videos real large and wish those dicks were going into MY ass. Finally I made up my mind to let the first guy I thought was a reasonable candidate to put his dick in my behind.

Mario was someone I met at a party. We went out on a couple of dates, nothing special but he was okay, and we had sex on the third date and on the fourth date I told him to put that thing of his in my ass. I looked him in the eye and held his cock in my hand and then I flipped on my stomach and tried to guide it in myself, but it was too difficult at that angle. So I pressed my face against the pillow and let him take over. He knew what to do all right.

So there I was, fucked in my ass like slutty girls in the porn I watch. I wasn't courageous enough to let Mario creampie my backdoor, though. Or maybe I just wanted to feel his stuff all over my cheeks and give me that porn star stickiness I so envy? —Terri, Denver, CO ♣

When the two biggest nerds on campus finally put aside their slide rules and hooked up, it was magna cum loudly! Bookworm Cali had long harbored secret dirty desires for math geek Kenny, but was too shy and otherwise preoccupied with higher learning to pursue her filthy fantasies. Until one day she had a rather brilliant idea—why not entice Kenny over to her room under the guise of needing a personal tutor and see where things went from there? Well whaddya know, it worked! Kenny, always eager to lend a helping hand to a fellow student in need rushed right over to Cali's dorm as soon as he heard she was seeking succor. The chemistry between them was immediate and intense and it wasn't long before they were hitting the sheets as opposed to the books. Cali, while clueless in the actual practice of fornication, was ridiculously well read so she applied all of her meticulously gathered knowledge in the art of providing pleasure and set out to really blow Kenny's MENSA level mind. She allowed him an all access pass to her parts, which he utilized to the utmost of his carnal capabilities. A few pumps in Cali's caboose was all it took to get this boy genius ready to pop and so they shifted themselves so he could shoot his load all over her smart little mouth. They awarded each other A's for awesome ass sex. ♣
